CLEAN INDIA MOVEMENT

(Swatcha Bharat Abhiyan)

Suryadatta College of Management, Information Research and Technology (SCMIRT) Bavdhan, Pune organized Winter Special NSS camp under the guidance of Principal Dr. Abbas Lokhandwala from, 24th Dec 2019 to 30th December 2019, at Kudalewadi, Tal- Mulshi, Dist- Pune-05. This was the second year to organize a special camp in the same village. The main aim of this special camp was to develop and implement the social service skills amongst students and their duties and responsibilities towards the society.

It was seven days residential camp; NSS Volunteers were working hard for this camp. With the help of "NSS Special Winter Camp" students attempted to take the message that we should serve our society and try to eliminate factor that are harmful for the society. NSS Volunteers are always keen on undertaking various social and human initiatives for betterment of the society and life in general.

NSS Volunteers of SCMIRT conducted Gram sarvekshan on 1st day of camp to be aware of the problems faced by the village and area of development in the village Kudalewadi, Tal. Mulshi, Pune. In sarvakshan volunteers noticed that there is a need to create awareness among villagers the importance of being clean and keeping surrounding clean for the same volunteers conducted rally on clean India and every day they clean various places of the village.

The session was conducted under the guidance of Sarpanch of Kudalewadi, Tal. Mulshi, Pune Miss. Rupali Bhalerao and NSS Program officer of SCMIRT Prof. Priya Barhate in coordination with NSS volunteers of SCMIRT.

Report on Pedestrian friendly roads

Objectives: To encourage people to walk rather than drive to maintain good health as well as pollution free environment.

Suryadatta Education Foundation's SCMIRT always gives much importance to green practices in campus. We established Pedestrian friendly roads in our campus. The existence of Pedestrian friendly roads provides some incentive for people to walk rather than drive. SCMIRT provide pleasant walking environment with sidewalks, weather protection and attractive landscaping is a step towards encouraging people choose transit, bikes or walk over cars.
