

**7.3.1 Describe/Explain the performance of the institution in one area distinctive to its Vision, priority and thrust**

**Response:**

The following is one of the points of our vision and mission -

"Enriching careers and enhancing lives".

The following is explanation of performance of college with distinctiveness as per this point of vision and mission during last five years.

The distinctiveness of SCMIRT consists primarily in creating for its faculty and students an ambiance that provides a 'holding environment' - a psychological space that is both safe and uncomfortable. 'Safe' because a 'holding environment' is what we all need to grow and blossom, a supportive environment.

'Uncomfortable' because in such an environment one also promotes 'disruptive creativity'.

Such an environment is the natural result of the following strengths of SCMIRT community:

- Its adherence to its foundational concepts that have laid out the trajectory of its growth plan.
- Its outstanding Human Resource Management system to ensure 'a shared vision, a cohesive team and an engaging work culture'.
- Its meticulously planned and implemented personal and professional development programmes for its faculty and students.
- Its well-oiled governance structure and administrative mechanisms to ensure speedy implementation of all developmental plans.
- Its relentless efforts at attaining the best possible balance between growth and sustainability.
- Its manifest commitment to be responsible stewards of the extraordinary campus it is blessed with by a meticulous devotion to ensuring biodiversity, eco-consciousness and reverence for the gifts of nature.

Taken together, these strengths have contributed in ample measure towards the creation of a culture in the SCMIRT that is uniquely our own, that energizes us in all that we do, and knits us together into one educative community.

The ambiance, taken together with our multi-pronged social commitment programmes involving every member of the faculty and students, results in moulding the typical SCMIRT graduate

who, because they work relentlessly at being intellectually competent, morally upright, spiritually inspired and socially committed, are bound to leave footprints wherever they are. SCMIRT strongly believes in enhancement of innovative practices which is the core ethos of SCMIRT.

## "KAVYATHON"

**Date: 15 AUGUST 2019**

The Suryadatta Group of Institutes (SGI) Suryadatta College of Management Information Research and Technology created history with a remarkable and exceptional event on the auspicious eve of 73rd Independence Day of our country, KAVYATHON, held at the Bavdhan campus of the institute.

### **KAVYATHON: First of its Kind Patriotic Affair by an Academic Institute in India**

Intended to celebrate the brave heroes and martyrs of our nation; KAVYATHON was a two-day event that kicked-off at 9 am on 14th August and ended beautifully at 10 am on 15th August – the joyous day of our 73rd Independence.

**KAVYATHON** successfully brought together everybody associated with SGI under one roof. The students, faculties, volunteers and the non-teaching members performed non-stop 25 hours relay singing of patriotic songs & poems. The enthralling songs and poems boosted the national spirit.

This historical event was the first of its kind, never attempted by any other academic institute. The sensational spirit of KAVYATHON emerged as a leading platform for cross-culturalism while representing Unity in Diversity. The sole objective was to create awareness as to how our freedom fighters and soldiers continue to struggle even in anguish.

### **KAVYATHON: Establishing Records**

KAVYATHON was graced by the presence of prominent personalities of the SGI group –Dr. Sanjay Chordiya, Founder, Mr Sachin Itkar, Advisor, Ms Sushama Chordiya, Vice-President.

The Suryadatta Group of Institutes earned two National Records for this legendary 25 hours of relay singing of patriotic songs & poems through

KAVYATHON. The first and foremost record is- '25 hours of non-stop relay singing of 100+ patriotic songs' and the second record accredited is -'The Highest number of people singing in a relay' (522 people in total) at the grand event of KAVYATHON.

With this honour, the SGI group becomes the first-ever academic institute to achieve these incredible national feats. As said, "Hard work pays off in the end". The collective and endless efforts of the institute helped them in achieving countrywide accomplishment.

### Other Patriotic Events

Students from twelve different faculties & domains coordinated proactively with each other and took part in KAVYATHON, exhibiting their patriotism in distinctive modes. To promote and publicize the Indian fabric and its craze, the artistic students of Suryadatta Institute of Fashion Technology (SIFT) presented a five-sequence long Fashion Show on the theme of national integration which stunned the crowd.

This Independence Day was a fun-filled saga for everyone with activities like Rakhi Making, Jewellery Designing, Mehendi/ Rangoli and Poster making.

The whole campus was decorated with the colours of patriotism by the event students.

At the event, Prof. Dr Chordiya emphasized on the 'Brands of India' Expo signifying distinct personalities from various spheres like sports, agriculture, politics, entertainment, and science who have earned recognition at international level and are working relentlessly to refine indigenous talent.

Mr Sachin Itkar told that the SGI institute is diligently offering quality education to students with an effort to raise their social consciousness by managing and reinforcing events like KAVYATHON.

### Public Announcement

Dr Chordiya rendered an important announcement towards the betterment of children impacted by flood this year. He declared that the SGI institute would take on the responsibility of 72 children from the flood-affected districts of Sangli and Kolhapur by giving them free education along with basic accommodation. He also urged other educational institutes of Pune to come up and lend a helping hand to these kids.

**KAVYATHON** saw an impressive finish, just like a remarkable start. The event got highlighted on a large scale in the renowned newspapers like the Times of India and Punekar News; in addition to the news channels like Pune Darpan.
