Career Guidance Session on Opportunities in Aviation and Hospitality Industry

Venue: Suryadatta College of Management Information Research & Technology (SCMIRT), Pune

Introduction:

Poise Aviation and Hospitality Academy organized a career guidance session at Suryadatta College of Management Information Research & Technology (SCMIRT) in Pune. The session aimed to provide students with valuable insights into career opportunities within the aviation and hospitality industries, equipping them with knowledge to make informed career decisions.

Key Highlights:

1. Introduction to Aviation and Hospitality Industries:

- The session commenced with an overview of the aviation and hospitality sectors, highlighting their importance in global commerce and employment generation.
- Presenters discussed the diverse range of career paths available in both industries, emphasizing the potential for growth and advancement.

2. Career Opportunities in Aviation:

- Industry experts from Poise Aviation Academy presented various career opportunities within the aviation sector.
- Topics covered included airline operations, aircraft maintenance, airport management, cabin crew roles, and aviation safety standards.
- Students gained insights into the skill sets and qualifications required for different roles in the aviation industry.

3. Career Opportunities in Hospitality:

- Representatives from Poise Hospitality Academy provided insights into career opportunities within the hospitality sector.
- Discussions encompassed hotel management, food and beverage services, event planning, tourism management, and guest relations.

Suryadatta Education Foundation's
Suryadatta College of Management Information Research & Technology

(SCMIRT)

- Students were encouraged to consider their interests and strengths when exploring career options within the hospitality industry.

4. Industry Insights and Emerging Trends:

- Presenters shared industry insights and discussed emerging trends shaping the future of aviation and hospitality.
- Topics included technological advancements, sustainability initiatives, evolving consumer preferences, and the impact of global events on the industries.
- Students gained a deeper understanding of the dynamic nature of these sectors and the importance of staying updated on industry trends.

5. Career Guidance and Counselling:

- The session included interactive discussions and Q&A sessions, allowing students to seek guidance from industry experts.
- Poise Academy representatives offered personalized counselling to students interested in pursuing careers in aviation and hospitality.
- Students received advice on career planning, skill development, and networking opportunities within the industries.

Conclusion:

The career guidance session organized by Poise Aviation and Hospitality Academy at SCMIRT proved to be an invaluable experience for students interested in pursuing careers in aviation and hospitality. Through informative presentations, interactive discussions, and personalized counselling, students gained a comprehensive understanding of the opportunities available in these dynamic industries. The session provided a platform for students to explore their interests, develop relevant skills, and embark on rewarding career paths in aviation and hospitality.

Report
Carrier Counseling

Date: - 09th Aug. 2023

SCMIRT Student Development Cell was organized session on carrier counseling session and it was addressed by Dr. Sunil Dhangar.

Speaker briefed us about the various career opportunities in India and abroad. He also talked about the wider aspects of global journalism and how one has to be on his/her toes to understand and analyse the intricacies of this field.

The session was very fruitful and helped students in getting a clear picture of what career path they might pursue in the near future. Speaker gave all the information about all the different areas. It was an interactive session.

Report on
UPSC and MPSC Career Guidance Session

Date: 6th October 2023

Welcome Address:

The UPSC and MPSC Career Guidance Session commenced with a warm welcome by the Director, Mr. Prashant Pitaliya, who extended greetings to the student anchors, participants, students, and faculty members gathered for the event.

Session Overview:

The career guidance session aimed to inspire and guide students towards achieving success in the field of Civil Services, specifically the Union Public Service Commission (UPSC) and Maharashtra Public Service Commission (MPSC) examinations. The session emphasized the importance of self-discovery, dedication, and continuous improvement in pursuing a career in administrative services.

Key Takeaways:

1. Self-Discovery and Commitment:

- Each student was encouraged to explore their dream career path with unwavering commitment.
- The phrase "तू स्वतःला ओळख" (Know Yourself) was emphasized, prompting students to introspect and understand their purpose on Earth.
- Students were advised to align their career choices with their passions, interests, and inner qualities.
- The three critical steps for career achievement were highlighted: Self-discovery, career alignment, and excellence in one's chosen field.

2. Embracing Enjoyment in Work:

- A quote by Swami Vivekananda, "In your life, do what you enjoy," was shared with the attendees.
- The importance of finding joy in one's work was stressed. However, if this is not possible, individuals were encouraged to learn to enjoy the work they have.

(SCMIRT)

3. Converting Dreams into Reality:

Mr. Mayur Patil and Mr. Abhijeet Shinde provided valuable insights into realizing one's aspirations:

- The importance of giving 100% in one's work and striving for excellence was emphasized.
- A "Gladiator Philosophy" was introduced as a mindset for an excellent and successful career journey.
- The concept of "जे करायचं ते भन्नाट करायचे !!!" (Do whatever you do exceptionally well) was highlighted.
- The development of skills such as management, communication, and interpersonal skills was advocated.
- Participants were advised to supplement their core academic knowledge with broader exposure to cultural, technical, and other management areas.

4. Understanding the Examination Structure:

The structure of the UPSC and MPSC examinations was explained:

- Preliminary Exam (MCQ Pattern)
- Mains Exam (Subjective Pattern)
- Interview

5. Discipline and Patience:

- The importance of maintaining focus and discipline during study periods, known as the "On and Off" policy, was stressed.
- Patience was identified as a crucial trait, with candidates being reminded that failing at any stage of the exam required persistence and re-attempting the process.

6. Preparedness and Commitment:

- Candidates were advised to give 4-5 years (not full-time) to the preparation.
- It was emphasized that having a backup plan ("Plan B") was essential.
- The challenging path of Administrative Services was recommended only for those with a high level of commitment.

7. The Rewards of Success:

- Success in Administrative Services was portrayed as a path to attaining status, financial stability, power, and opportunities to serve society.
- The message "एकाचे अश्रू पुसता आले तरी जीवन कामी आले" (Even if you can help one individual, it's worth it) reinforced.

Suryadatta Education Foundation's Suryadatta College of Management Information Research & Technology

(SCMIRT)

- The opportunity to contribute significantly to the nation while enjoying personal financial security and status was highlighted.

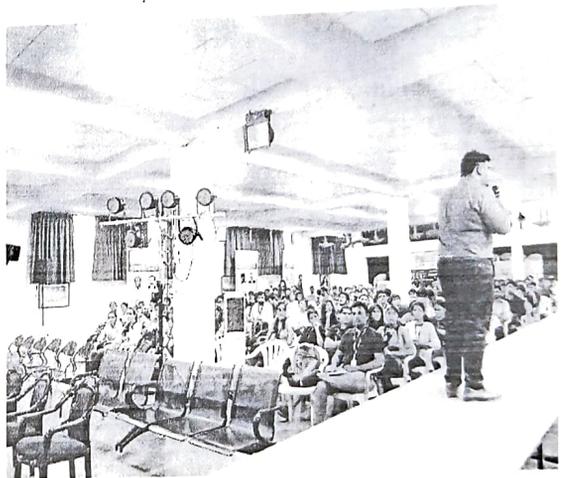

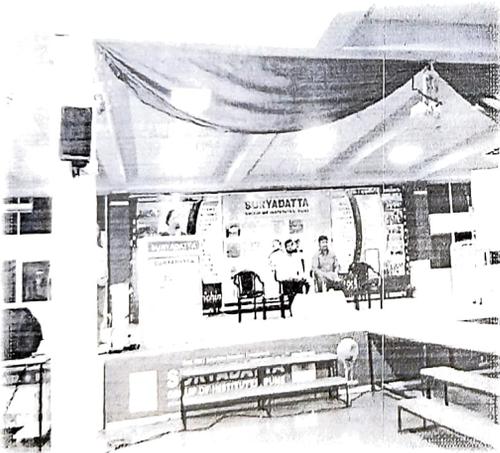

8. Conclusion:

- The session was concluded with a powerful message: "What you do, do it with excellence." Participants were encouraged to strive for excellence in their chosen paths.

The UPSC and MPSC Career Guidance Session provided valuable insights and inspiration to aspiring candidates, helping them understand the dedication and commitment required for success in administrative services. The speakers' advice and motivational messages served as a guiding light for those embarking on this challenging but rewarding journey.

Induction Programme AY.2023-24

Induction Report – Day 1

Date : 7/08/23 (Monday)

The induction programme for the first year students began with registrations, followed by greeting with a rose and a sweet by their seniors. After being seated in Bansi Ratna Hall, the programme began by lighting of the lamp in front of Maa Saraswati by Dr. Abbas Lokhandwala, Principal SCMIRT, Mrs. Kiran Rao, Principal Junior College, Asst. Prof. Deepak Singh, Vice-Principal SCMIRT and Mrs. Vandana Pandey, Principal Junior College. The corporate film of the college was screened and Ganesh Vandana performed by students.

SCMIRT Principal welcomed the students and explained the meaning of Induction i.e. introduction to the college, faculty, infrastructure, course study, extra-curricular activities. He highlighted the challenges of terrorism, climate change and excessive use of internet. He spoke on being honest in work, unselfish and contributing to society, alongwith learning from travel, new languages and ever smiling personality.

Vice-Principal SCMIRT advised the students to be always updated, becoming qualified with good results and the credit pattern of examination of CGPA & SGPA. Each semester has 6 papers and 2 value-added courses.

Director Admissions Mrs. Sheetal Phadke advised the students to fulfill all administrative requirements i.e. submission of photos and other documents, getting ID cards and Library cards. Placement activity and campus interviews were explained, and the requirement of 80 per cent attendance. The holistic approach to development provided gym, sports, yoga and zumba facilities.

The first Speaker of the Day was Mr. Nikhil Botre

He shared his journey in life beginning with belonging to a middle class family and failing in 12th standard. How everyone was hopeless about his future and how did a diploma in Make-Up from Singapore and faced a number of challenges, realizing the importance of home-made food and money. Coming back to India he set up salons, doing all types of work to establish his business. Covid was a bad time period and he acquired more skills to keep afloat.

SIICS Principal Dr. Arif Shaikh addressed the students and spoke about inter-disciplinary courses and Industrial contacts.

The second Speaker Dr. Rizwan Pinjari, an academican with doctorate in Biotechnology and later turning into an Industrialist, spoke on Indian and Global Entrepreneurship Scenario. He highlighted the youth potential of India and the importance of Start-Ups and Atma Nirbhar Bharat. He spoke about post-harvest losses and how the National Food Mission is seeking to minimize the losses with expansion of food-processing capacity. Students asked questions regarding government role in setting up an enterprise and importance of data science in entrepreneurship. Rizwan Sir emphasized the importance of a good Project Report for convincing investors to finance the project and confidence level of the entrepreneur.

The third Speaker Dr. Shri Sanjay Parekh is marketing advisor and invented the therapeutic tablet in 2022. He spoke on Healthy Life Healthy Humanity. Medicine is required due to bad habits and unhealthy routine. Regular health check-up is important, along with good sleep and some physical exercises. He advised not to go to Google doctor. His book is The Secret of Quality Lifestyle.
